

# QUALITY IMPROVEMENT

Operational Harmonization

## 50 Harmonized Documents

created across multiple company categories

## Standardized Processes

to have consistent performance criteria and test methods

## Client Needs

Adept Packaging was approached by a client to find a solution to quality issues, lost productivity, delays to market and packaging performance due to inconsistency between global packaging groups.

## Steps Taken by the Adept Team

- Created a team of packaging engineers and documentation specialists for this project:
  - Project Manager
  - Technical Copy Editor
  - CAD Specialist
  - Internal Subject Matter Experts
- Collected supporting information from engineers, packaging suppliers, procurement and other sources that required the documentation
- Developed test methods for 20+ packaging components, materials and product/package categories
